Re: Invitation to attend Firefighter's Forum with Brunch

Dear President,

The Illinois Firefighter's Association will be hosting a brunch in conjunction with our annual conference. This brunch will be held Saturday, September 22 at 10:00 A.M. at the Holiday Inn in Urbana. The motel is located right off I-74 at the Lincoln Avenue exit.

During this brunch, we will have an open forum discussing issues that affect firefighters all over this state. Over the last few years, the firefighters around this state have gained several benefits that helped make their job safer with more available equipment and training. Not only have we gained in those areas, we also now have legislation that helps protect firefighters' jobs.

I will be extending invitations to our Fire Marshall, Fire Service Institute Director and the Illinois Fire Caucus Officers. We are extending an invitation to you and one of your other association officers to this Firefighter's Forum. After the forum, we will travel to the Illinois Fire Service Institute for an overview of the Down and Dirty Firefighter's hands on training.

Please make your reservation to attend this important event by calling or E-mailing our association secretary/treasurer Kevin Wiwczaroski - (618) 288-5215 or E-mail wiz@empowering.com. We would like to have your reservations by September 1 to accommodate the caterer's request.

Hotel reservations can be made by contacting Holiday Inn and Conference Center at (217) 328-7900.

Best regards,

John Swan
President, Illinois Firefighter's Association
