As of January 1, 2008, the Smoke-Free Illinois Act requires that public places and places of employment must be completely smoke-free inside and within 15 feet from entrances, exits, windows that open and ventilation intakes. This includes but is not limited to:

- Public places and buildings, offices, elevators, restrooms, theaters, museums, libraries, educational institutions, schools, commercial establishments, enclosed shopping centers and retail stores
- Restaurants, bars, taverns and gaming facilities
- Lobbies, reception areas, hallways, meeting rooms, waiting rooms, break rooms and other common-use areas
- Concert halls, auditoriums, enclosed or partially enclosed sports arenas, bowling alleys, skating rinks, convention facilities, polling places and private clubs
- Hospitals, health care facilities, health care clinics, child care, adult care or other similar social service care
- No less than 75 percent of hotel or motel sleeping quarters rented to guests
- Public conveyances, government-owned vehicles and vehicles open to the public
