

2007 Illinois Recipients of Assistance to Firefighters Grants

The Assistance to Firefighters Grant Program is administered by the Department of Homeland Security in cooperation with the Department's United States Fire Administration. To date, their office reported a total of 3,949 grants amounting to \$350,369,862 of that, \$14,178,730.00 has been awarded to 170 Illinois fire departments. While some awards are likely to be pending, the Illinois distribution amounts to approximately 4% of the total funded to date.

The AFG Program is conducted by the Department's Preparedness Directorate's Office of Grants Training in cooperation with the Department's United States Fire Administration. The Preparedness Directorate's Office of Grants Training is the principal Federal Agency responsible for the preparedness of the United States for acts of terrorism, including coordinating preparedness efforts at the Federal level, and working with all State, local, tribal, parish, and private sector emergency response providers on all matters pertaining to combating terrorism, including training, exercises, and equipment support.
