

Illinois Association of Fire Protection Districts

“Representing 630 Fire Protection Districts throughout Illinois”

We appreciate both our longtime supporters and our potential future Associate Members! It is because of IAFFPD’s dedication to education and advocacy of fire protection district officials in Illinois that we are happy to provide your company with multiple opportunities to engage with more than 3,000 fire service officials, representing over 75% of the fire protection districts in this state. When you read about the accomplishments of this past year, it’s easy to see why our membership is growing.

As an Associate Member, you have the benefit of access to a targeted market who are direct consumers of the products and services your company provides. Your message can reach more than 3,000 members through direct mailing at least quarterly with The Fire Call and other mailings. Your company is listed in all IAFFPD Business Directories, including online and two print listings annually, where our members go to find products and services first. Only members have the option to promote products and through social media, direct emails and website banner ads. As a member, you also have the opportunity to connect directly with more than 1,300 attendees at training sessions year-round.

We have developed bundled advertising and sponsorship packages, designed to meet the promotional needs of our members. If you are an Annual Conference sponsor or are considering it these bundles are for you. If you are interested in advertising in The Fire Call, you can take advantage of special pricing on a variety of ad choices.

Even if you choose to join or renew at the Associate Member level, without the discounted Annual Conference sponsorship packages, Fire Call advertising or CTE regional training session recognition, your company will still be recognized throughout the year as a supporter of IAFFPD’s mission of “Supporting better governance by fire protection district officials through education, resources, communication and legislation”, membership also includes a year-round listing in the online business directory and discounted pricing on advertising and exhibits at IAFFPD events.

You can renew and update your Associate Member profile today and sign up for the bundle that fits your marketing vision for 2020. We strive to make your membership the best it can be and welcome your comments and questions. Our staff is looking forward to working with you in the New Year. If there is any way we may be of help, please do not hesitate to contact us.
