

# IAFPD 34<sup>th</sup> Annual ATS Session Sponsorship

Jan. 19 Plainfield \* Feb. 2 Fulton \* Mar. 2 Champaign \* Mar. 23 Cherry Valley

We bring ATS (Administration Training Sessions) to fire protection districts around the state early each year. These sessions make it easier for district officials to obtain CE (Continuing Education) credits closer to home and in a one-day format. Each session brings upwards of 70-90 district trustees, chiefs, and attorneys for important training and updates from OSFM and IFSI
