

## An update for our members:

At this time of global crisis, the health and safety of our members remains top priority for IAFPD.

Along with our state, federal and fire service agencies, the IAFPD has been working diligently to monitor developments and share information and resources as they become available.

**COVID-19**

*(Novel Coronavirus)*

INFORMATION & UPDATES:

**We invite you to check [our website](#) for links to related correspondence and guidance for your fire protection district as they are affected by the COVID-19 virus.**

The **Continue Trustee Education** (CTE) Session for Cherry Valley will now be presented as a video conference rather than an in-person program at the firehouse. We appreciate the support of those registered while we work through the details and thank the presenters and staff for coordinating the delivery of the legal training program.

In response to the stay at home **Executive Order**, the IAFPD staff will continue its business as usual from our homes. You may still call the office line 217-525-6620 for assistance or send an email and we will respond. We have started to use video conferencing for face-to-face interaction and our [Facebook](#) page to share other timely news.

## Additional Information and Resources

**WE ARE MOVING FORWARD AT THIS TIME...**

**IAFPD 77th Annual Conference  
June 18-20 in Peoria, IL**

Until further notice, we will proceed with the planning of the Annual Conference. Please watch your email for updates on the event.

The scholarship application deadline has been extended for members who may want to attend but may have financial constraints.

- [Scholarship Application](#)

The exhibitor registration deadlines for have been extended and those signed up by April 15 will be listed in Spring issue of *The Fire Call* and the early bird discount will be honored until May 15.

- [EXHIBITOR information can be found here.](#)

We are working with the Marriott hotels on cancellation fee exceptions and later booking dates. Please stay tuned for updates as the develop. [Click here](#) for room rates and online reservations.

The Conference Committee has an exceptional educational program that addresses many emerging issues (Marijuana, IDOL inspections, Active Shooter, Crisis Management) for fire protection district leaders and casual social events to network and unwind.

## CONTINUING OUR MISSION

IAFPD is committed to keeping our members educated and informed. Events and educational sessions are being cancelled, changed or postponed and this presents a perfect opportunity to check out our online learning library. The webinars are convenient, affordable, always available and you can get continuing education from the comfort of your home or office.
