**About the Cover:** The cover photo is a mere sample of the number of fire district members with embroidered emblems. The IAFPd office does not have a patch collection, but does have office and wall space that invites more. If your department has one to donate, we would be thrilled to display it.

A friendly shout out to Greg Hay from the Office of the State Fire Marshal's office for providing a few patches that allow this colorful photograph and opportunity to spotlight a few of our members at the same time. We appreciate Greg's ongoing support of the IAFPd and his work over the years with the Illinois State Fire Museum located at the Illinois State Fairgrounds where you can see many more patches and several other fire service artifacts.

The content of articles contained in THE FIRE CALL solely reflects the personal opinions of the authors or contributors and does not necessarily represent the official opinion or position of the IAFPd, its officers, directors, members or staff.
