State Sets Single Day Vaccine Record

Governor JB Pritzker this week announced a new single-day record on Wednesday, April 7, when 154,201 vaccines were administered to Illinois residents. At the same event, Pritzker confirmed that beginning April 12, all residents age 16 and older will be eligible for a COVID-19 vaccine. The city of Chicago, which receives a separate supply of vaccine from the state will make vaccines available to residents age 16 and older on April 19, 2021. Over 2.5 million residents, or 20 percent of the Illinois population has been fully vaccinated against the coronavirus. In spite of the wide availability of vaccines, the state is experiencing an increase in positive cases and hospitalizations and public health officials caution Illinoisans to continue to use face coverings and maintain social distancing.

ISBE Director on Leave

The Executive Director of the Illinois State Board of Elections has been placed on administrative leave after it was revealed he has been the target of an attempted online extortion. Director Steve Sandvoss contacted the Illinois State Police to report the extortion attempt, at which time the Board voted unanimously to place Sandvoss on leave while the state police conduct an investigation. A spokesperson for ISBE said it is unlikely that election data was compromised in relation to the online scam. Sandvoss has worked for the State Board since 1988 and has served in his current role as Executive Director since 2015.

Back in Session

Both chambers will reconvene for in-person session on Tuesday, April 13, 2021. The Senate will continue to test members, staff, registered lobbyists and members of the press for COVID-19 prior to session. It is uncertain if the House will perform coronavirus testing. Access to the Capitol by lobbyists and members of the public remains limited.
