# IAFPD 78th Annual Conference

## June 24-26, 2021 (One Day Trade Show: June 25th)

### I-Hotel and Conference Center, Champaign, IL

#### Why Exhibit?

- **The Conference Attendees.** IAFPD average conference brings together members representing more than 150 fire protection districts. Our members are the 'key decision makers' for their purchases: Trustees, Fire Chiefs, and other key personnel are present and ready to learn about your latest products and services available!
- **The event program book.** Every attendee gets a printed and electronic conference program packed with all details, lists of supporters and where to locate them. Your company is listed, along with your contact information. You can purchase ad space for even more visibility.
- **Exclusive Time and Traffic Generators.** We have devoted Friday afternoon to showcase our vendors and sponsors and do not have educational programs during this time, aside from what they may learn from the exhibitors.
- **Free Advertising.** All vendors will be listed in the Summer issue of [The Fire Call](#) and all vendors will be acknowledged on the website.
- **Expand your customer base.** Every attendee that you meet is another opportunity to generate a lead. All exhibitors receive an electronic list of the fire districts that pre-registered so you can invite them to visit your booth.
