About the Cover: The IAFPD Conference Committee appreciates the support of the Illinois Fire Service Institute for their participation in the 2022 Annual Conference held down the street from their training grounds at the I-Hotel Conference Center. Special thanks to Director Keiken, Deputy Director Heather Moore, Thomas Shubert, Chris Downey, and Allen Cameron and the other instructors for coordinating the details and presenting live demonstrations along the sidelines of the fire apparatus displays. The programs covered Large Animal Rescue Techniques, Drone Usage for Fire Rescue, and Firefighter Gross Decon. The demos allowed the attendees to learn about emerging technology, health and safety issues, and the importance of firefighter training.
Photos provided by IAFPD Director Paul Grzelak (Paul Grzelak Photography)

The content of articles contained in THE FIRE CALL solely reflects the personal opinions of the authors or contributors and does not necessarily represent the official opinion or position of the IAFPD, its officers, directors, members or staff. THE FIRE CALL Publication is intended and designed to provide accurate and authoritative information regarding the subject matter covered. These services are provided with the understanding that the Illinois Association of Fire Protection Districts is not engaging or rendering in any specific legal or professional services.
